- Aoki, N. (2008). A theoretical and empirical treatment of functional decentralization: A cross-country study of organizational setting in public secondary education. Presentation at the Association for Budgeting and Financial Management, Chicago, USA, 22–25 October.

GRADUATE COURSES TAUGHT AT THE UNIVERSITY OF TOKYO

- 5112265: Introduction to Public Management
- 5112191: Policy Process and Negotiation

- 5140741/5179006: Project Based Learning on Technological Innovation and Social Solutions, Co-taught
- 5140165/5171114/4890-2005: *Dejitarushakai-to paburikku-manejimento* [Digital Society and Public Management], Co-taught

MODULES (COURSES) TAUGHT AT NUS^a

- PP6703: Foundations of Public Administration (PhD)
- PP5303: Public Management (MPM)
- PP5146: Decentralization, Governance, and Sustainable Development (MPA)
- PP5137: Public Management and Organisational Behaviour (MPP/MPA/MPM)
- PP5414: Foundations of Sustainable Development and Environmental Economics (MPP/MPA), Co-taught
- PP5137: Public Management and Leadership (MPP)
- PS3243: Public Sector Organisational Behaviour (Undergraduate)
- PS2240: Introduction to Public Administration (Undergraduate)
- PS5503/PS5503R: Decentralization and Local Governance (Undergraduate, Graduate)
- PS2240/SSA2222: Public Administration in Singapore (Tutorial only, Undergraduate)

INVITED GUEST LECTURES

- Aoki, N. (2026). AI in the public sector: Opportunities and challenges. Virtual lecture delivered for the course, Technology Disruptions and Public Policy, in the Master of Public Policy Program at the Hong Kong University of Science and Technology, Hong Kong, on April 21.
- Aoki, N. (2026). Japan's aspiration to build Society 5.0. Lecture delivered in Tokyo to a group of visiting students from Incheon National University, South Korea, on January 26
- Aoki, N. (2025). AI in the public sector: Opportunities and challenges. Virtual lecture delivered for a graduate course at the KDI School of Public Policy and Management, South Korea, on November 13.

^a Modules marked "PP" were offered by the LKYSPP; modules marked "PS" were offered by the Department of Political Science, NUS. SSA stands for a Singapore module. MPP stands for Master in Public Policy, for which two to five years of work experience were required for admission. MPA stands for Master in Public Administration, for which a minimum of five years of work experience was required for admission. MPM stands for Master in Public Management – a one-year program for which experience in a management position and a proven track record of leadership with high-level decision making were required for admission.

- Aoki, N. (2025). AI in the public sector: Opportunities and challenges. Virtual lecture delivered for an undergraduate course at the University of Cape Town, South Africa, on October 16.
- Aoki, N. (2025). AI in the public sector: Opportunities and challenges. Virtual lecture delivered for the course, Technology Disruptions and Public Policy, in the Master of Public Policy Program at the Hong Kong University of Science and Technology, Hong Kong, on April 29.

INVITED SPEECHES

- Aoki, N. (2025). Navigating the human-centric transition to invisible, interoperable, and agentic government. Speech delivered at the Global Forum Strategies for Innovation and Future Governance, organized by the Korean Institute for Public Administration and the Ministry of the Interior and Safety, Seoul, South Korea, 31 October.
<https://www.kipa.re.kr/html/eng/nwsevt/newsEvent.do?flag=main&pstSn=545>
